*The Songs You Know – The True Story You Never Heard – Until Now*

**A Beautiful Noise: The Neil Diamond Musical** is an inspiring, exhilarating, energy-filled musical memoir that tells the untold true story of how America's greatest hitmaker became a star, set to the songs that defined his career.

With 140 million albums sold, a catalogue of classics like "**America**," "**Forever in Blue Jeans**," and "**Sweet Caroline**," an induction into the **Songwriters** and **Rock and Roll Halls of Fame**, a **Grammy Lifetime Achievement Award**, and sold-out concerts around the world that made him bigger than Elvis, Neil Diamond's story was made to shine on Broadway, where the biggest stars tell their story.

The story is told from the setting of a fictional therapy appointment where Diamond reflects on his songs and career. From his humble beginnings in Brooklyn to his international superstardom, the musical chronicles his struggle to succeed in the music industry and his battles with depression.
